

Association of Legal Administrators Minnesota

STUDENT MEMBERSHIP

ABOUT:

The Association of Legal Administrators Minnesota (ALAMN) is an excellent resource for professional development, continuing education opportunities, guidance in technology issues, personal motivation, and professional support.

MEMBERSHIP:

There are more than 10,000 ALA members worldwide, representing more than 30 countries. In Minnesota there are more than 250 members that come from over 60 law firms across the Twin Cities and Greater Minnesota. The membership of ALAMN is comprised mainly of firm managers who have varying backgrounds and degrees, including some MBAs and JDs. Additionally, ALAMN members include C-suite level professionals, including Chief Financial Officers, Chief Operating Officers, and more. ALAMN members cover a wide spectrum of legal professionals who all work together to improve the quality of management in legal services organizations.

BENEFITS:

Networking

- Opportunity to network with leaders at law firms across the Twin Cities and Greater Minnesota
- Ability to network with Business Partners to learn about non-practicing positions in the legal field
- Invitation to at least three social events geared toward law firm management professionals
- Participate in ALAMN's Peer Connection program where a Peer Mentor will further help navigate the world of ALA

Access

- Access to Special Interest Groups (e.g., Facilities and Operations Management, Facilities Management, Intellectual Property, etc.) and Committees (e.g., Diversity and Inclusion, Human Resources, Compensation and Benefits Survey, etc.) to learn about the challenges of managing a law firm
- Access to the ALAMN Membership Directory, The Verdict (award-winning newsletter), and other resources

Education

- Opportunity to attend seminars and webinars on various topics within the legal arena
- Monthly meetings on special topics provide an opportunity to learn from business partners and experts in the legal field
- Attend members only conferences held locally and internationally to learn from the best of the best
